

## Remarks

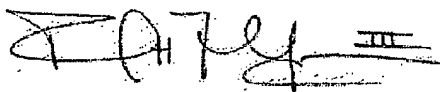

The Applicant has amended claim 1 to correct the language objected to by the Examiner.

The Applicant acknowledges the indication that claims 5 and 10 are drawn to allowable subject matter. The Applicant has thus amended independent claim 1 to include the limitations of claim 5 and has amended claim 6 to include the limitations of claim 10. Claims 5 and 10 have been canceled. The Applicant thus submits claims 1-4 and 6-9 are in condition for allowance.

The Applicant submits the rejections to the remaining claims have been overcome by the amendment to claim 11. The Applicant has amended claim 11 to include the limitation that the graphical element identifies the item of recorded media stored in the media storage container. The prior art does not disclose, teach, or suggest the invention of currently-amended claim 11. The Applicant thus submits claims 11-18 are in condition for allowance.

In view of the foregoing, the Applicant respectfully requests reconsideration of the claims and most earnestly solicits the issuance of a formal Notice of Allowance for the claims.

Please call the undersigned attorney if any issues remain after this amendment.
